

## **REGIONAL FESTIVAL SERIES 2010 RECORDED ENTRY FEEDBACK**

**Group Name: Porthywaen Beginners'Band**

### **Pieces:**

1. A confident start. Very rhythmic playing. Nice melody in cornet section. Euphonium articulation is good. Steady tempo from drum kit. Good balance in horn section.

2. A good contrasting piece. Drums again very steady this time in 3. Good balance within the band. Nice cornet melody. Good change in dynamics.

3. Cornets have good articulation. Good change in dynamics. Euphoniums play well in melody. Nice change of tempo. Cornets playing very well nice phrasing with strong rhythms. Very good ending.

4. Good opening with nice feel in cornets. Again the drums are very solid. Nice euphonium melody. Nice change of feel in cornets. Very good ending.

Next Steps. Continue to develop your programme in different styles and introduce some soloists
