A very tidy entrance! (good)

Rochinello - a shade quick (I thought)
Light Infantry piece and not truly
6/8 rhythm. In 5 became 5

Hil Himmel - Good contrast of the parts
is basically good. I would however,
fault a lot note values eg. o beamed.
& o became .!

Share my Yoke. Excellent soloist -
phrases ✓✓ round ✓✓ breath
control - excellent.

Boonits a Go Go. Well! You can all
play the parts and I could hear
them in true balance. Good.

Deyer Good finale - some good

2,
playing indeed - clear &
bright.

An excellent concert indeed -
it had contrasts & the overall
control was first class.

I can't understand how you
dropped the 'dustbin lid' with
Punchinello. Perhaps they march
that quick in Ponthwyer!

Thank you
Kenneth Dunstan
